February 11 - Fur Ball at Win River. Buy your tickets EARLY for a discounted price!

Our signature fund-raising event is, indeed, just around the corner! Co-Chairs Marsha Nelson and Charli Cain, along with their committees, are well on their way to producing a stellar event!

This year tickets may be purchased at a discount for buying early. Individual tickets are priced at \$38 each - table of ten for only \$350 - if purchased prior to January 20, 2012. If you linger beyond that date, tickets are \$40 for individual and \$400 for a table of ten. Plus, if you delay, you always run the risk of finding the bash SOLD OUT! Tickets also make terrific Christmas gifts for those "hard-to-shop-for" friends and family.

You can still volunteer your time and talents to help make the Fur Ball a success. Additionally, we need donations of items for the ever-popular Silent Auction, "big ticket" items for the Auction, and raffle prizes. Contact either Marsha or Charli and find out just how YOU can help!

### A Special Boy With Special Needs

Gunnar was bred for hunting and came from a breeder who was going to put him down because he suffered from difficulties at birth and "wasn't quite right" after that. Word spread until Another Chance was notified and contacted Katie Ball at Love Your Pet Expo. Now the transition has begun to move Gunnar to his new forever home at the Love Your Pet Expo Sanctuary for Special Needs Animals.

Gunnar has no sight and is prone to seizures. When he feels good, he is "all puppy." He likes to run, play and get into mischief. He listens well for the sounds of footsteps and follows along. He is learning to avoid running into objects.

If you would like to contribute to Gunnar's ongoing support and vet bills, you may send your check to: Love Your Pet Expo, 19639 Ojai Dr., Cottonwood, CA. 96022, or to ACAWL and note "Gunnar" on the memo line.

## We Are So Very Thankful!

A great big THANK YOU to the Ladies and gentlemen of the Anderson Moose Lodge for inviting us to spend the day with them on September 17th. We enjoyed the great food (especially those root beer floats), the great items provided for a raffle and the donations of dog and cat food, litter, toys. Our dogs in attendance seemed to enjoy the fresh air, grass and attention they all got. We were the beneficiaries of the monies collected and, of course, THANK YOU for your thoughtfulness and generosity in helping us help the animals in need. KAY you are one great lady!!!

Many thanks to the nice people at Tractor Supply in Redding for hosting recent Adoption Outreaches for us! The many dogs who have been adopted as a result are extremely grateful!

Putts "Fore" Pets was a successful fundraiser for Another Chance. We appreciate and thank all the sponsors, players, and volunteers for their contributions!!! We netted a little over \$1600, and half of that amount will go directly into our Sanctuary Fund.

Many Thanks to local Cal Trans employees for making Another Chance Animal Welfare League a part of their United Way Campaign this year and having an animal food drive. Your kindness and generosity are greatly appreciated.

### Abby's Angels

is a Guardian Angel Program designed to financially assist the animals in our foster program so that they can receive the food, medical care, and shelter they need until their permanent home is found. Guardian Angels donate an average of \$25 per month. This is a wonderful opportunity to help an animal if you can not physically foster one yourself.

## Happy Tales

The "Ally" Cats

Meet Ally Puckett, a student at Chrysallis Charter School. She heard tiny kittens mewling in a drainage pipe underneath the driveway of her home and, *of her own initiative*, made several calls for help. Not having much luck, she finally got in touch with Another Chance, and two volunteers were dispatched to try to retrieve the babies. On arrival, our volunteers discovered there were three very tiny kittens alone in the pipe. Sadly, one did not survive the abandonment of the mother cat.

The two remaining kittens were immediately placed in the foster care of Palomino Armstrong for round-the-clock bottle feeding and care. However, Palomino had already planned a trip to Washington state and having bottle-dependent kittens was going to be tricky. So she bundled up her tiny charges and took them with her! While in Washington, friends saw the wee ones and were instantly in love. As the kittens were too young to be released for adoption, they came back with Palomino. When they were old enough to be on their own, their adoptors made the trip from Washington to return them to their forever home.

Two kittens got "another chance" because Ally persevered in getting them rescued. Ally, you are an inspiration and an example of tenacity. And now you have a new title: "Rescuer."

### Volunteer News ...

Amber Benoit – one of our foster families and volunteer for Another Chance Animal Welfare League – is an employee of Redding Wal Mart. Amber applied to the Wal Mart Foundation and, based on her many hours of volunteering and caring for animals, Wal Mart Foundation paid to Another Chance Animal Welfare League the sum of \$250.00.

Congratulations Amber and thank you so much for all you do for the animals. And, thank you Wal Mart for the program that encourages people to volunteer in our community.
